As the Neatness of Cloaths consists in a genteel Air given by the Taylor, he has made it his Study both at *London* and *Paris* to avoid the *Mauvais Grimace* that too frequently attends Cloaths cut by Men of little Experience.

LADIES RIDING-DRESSES *made in the neatest and genteelst Taste.*

Noblemen, Gentlemen, and Ladies waited on at any Part of the City, and their Orders compleated on the shortest Notice.
